

2012 JOURNEY TO DAMASCUS TEAM APPLICATION FORM

PLEASE PRINT THE FORM, FILL OUT COMPLETELY, AND RETURN APPLICATION TO THE APPROPRIATE MAILING ADDRESS LISTED BELOW

The Journey to Damascus is an ecumenical weekend with the mission to promote renewal or rekindling of life's core religious values. This is accomplished by conducting weekend retreats which lead to a pilgrim becoming more involved in their church community through a strengthening of their relationship with Christ and this larger Body of Christ. Perhaps the greatest act of agape is the sponsor who remains active in the spiritual life of the pilgrims whom they sponsor. Consequently, sponsorship is the most important job in Damascus.
