April 11-14, 2019

"The light shines in the darkness, and the darkness did not overcome it."

John 1:5

To the members of the JTD Community,

I cannot help but become emotional as I think back to my own pilgrim weekend in the fall of 2010, JTD #89. "Be still and know that I am God". Psalm 46:10. Quite fitting for a girl who struggles to slow down. It also happens to be my favorite verse. I entered my weekend hoping for a renewal of...something. I left with a renewal of... everything.

As the team and I prepare for JTD #187 I am at peace and in total confidence that we are completely ready to be the hands and feet of Christ for the pilgrims that God has called to tables for His weekend. I want to thank all of those who have helped with agape, the prayer vigil, called, texted, sent love our way and to those who answered God by sending us the sweet pilgrims!!!!

To the team of #187, thank you for trusting in me and loving me enough to lead this team! Each of you are precious in His sight.

JTD Community, I look forward to seeing the face of Christ in all of you all at Candlelight & Closing!

De Colores!

Know someone who isn't receiving this Newsletter?

Please pass this along to them:

There are a number in the community that have signed up to receive Newsletters on the website but are not receiving the emails. In most cases the email address is on the database and the Newsletter is being sent, but your email server is "stopping" it or marking it as "spam". Please look in the spam/junk folder to see if the Newsletter sent is in there.

Several email servers including Hotmail, YAHOO and GMAIL are not letting the Newsletters go through or marking it as "Spam".

STEP 1: Go into your email account and see if its in the "spam"/"junk" folder? If it is in "Spam" -- "Mark" the email as "NOT SPAM". (*right click on the email and it will present options*)

There are instructions in this article on how to do that. (*click link below*)
<http://onlinegroups.net/blog/2014/02/25/how-to-whitelist-an-email-address/>

STEP 2: If you do not find the email in spam, then the article / link above also explains how to "Create a filter for the address" the email that is sending the Newsletter is Journey_to_Damascus@mail.vresp.com so you will need to create a filter. This filter tells Yahoo or Gmail that you want emails from Journey_to_Damascus@mail.vresp.com to come through and that they are GOOD emails.

STEP 3: Say a prayer that it works. :)

Apologizes for all the mess but several email servers are being super protective on what they allow through their spam filters.

Sr. Angela Murdaugh Scholarship Fund

We are also very pleased to announce the establishment of the Sister Angela Murdaugh Scholarship Fund. The goal is to be able to pay the weekend fee for one pilgrim per JTD weekend from this scholarship. To raise money to fund this endeavor we are selling JTD car emblems. The cost of the emblems is \$15 for one and \$25 for two. We should have the car emblems for sale before candlelight services and at the
