JOURNEY TO DAMASCUS #201 JULY 28-31, 2022

Our team formation has evolved especially through all the trials and tribulations of the past three years. Each member, past and present, brings unique experiences and perspectives to the group. Together we have developed a special bond within our JTD #201 team.

Our hearts are open, and we are ready to serve. We would like to thank everyone for your continued prayers and commitment to make this weekend possible. We look forward to seeing you at candlelight and closing.

Dear JTD community,

I am so thankful and blessed to have been part of JTD 200. The support from the community was incredible. The JTD 200 team came together and put on the most powerful weekend that I have been part of serving with. The talks were amazing, and everyone worked so hard to put on the first men's journey since 2019.

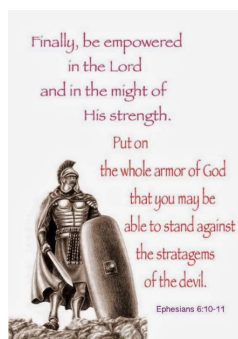

The community was wonderful, when we reached out for help, you stepped up, when I didn't even know what I needed help with. A special thank you to Roger & Denise Flores for putting on the sponsor hour, Marivel and Mariza for being in our prayer chapel, all those who helped with the agape meal, all who attended candlelight, and those who participated in the prayer vigil.

I am very proud to be part of the JTD community. God uses this community to change people's lives and to show them the love of Christ. We all have to remember the responsibility we are given and be thankful that God chooses each of us to do His work.

De Colores!
